THE LARGEST GATHERING OF HISPANICS IN STEM!

NOVEMBER 1 - 5, 2023 | SALT PALACE CONVENTION CENTER

JOIN US THIS FALL IN SALT LAKE CITY FOR CUTTING-EDGE CONTENT, SKILL BUILDING, AND NETWORKING WITH MANY OF THE MOST INFLUENTIAL ORGANIZATIONS AND LEADERS IN STEM.

With over 10,000 attendees expected, the SHPE National Convention is the largest gathering of Hispanics in STEM every year and you won’t want to miss the fun and the familia on November 1-5 in Salt Lake City, Utah.

The convention is made up of nine different tracks (including Advisors, Inclusion, Graduate, Undergraduate, Community College, Entrepreneur, SHPETinas, Professionals, SHPETech, and more) and has something for everyone. Beyond the educational workshops and inspiring keynote speeches, there are competitions, awards ceremonies, networking events, and the popular Career Fair & Graduate School Expo with over 250 exhibitors expected, most of whom will be hiring onsite.
