# BIENVENIDO

We are excited that you're taking the steps to start a new SHPE chapter. The strength of SHPE is in our extraordinary members and the accomplishment of our chapters.

This document outlines the requirements needed for your chapter to be officially recognized by SHPE. Don't hesitate to reach out to [chapters@shpe.org](mailto:chapters@shpe.org) if you have any questions along the way.

We can't wait to welcome you into the SHPE familia!

# CHAPTER REQUIREMENTS

The following pages contain detailed information and tips on each of these requirements.

# 10 Founding Members

A minimum of 10 members must register on <https://shpeconnect.org/> and pay the membership fee.

Note: These new members will have to register as at-large members until your chapter is officially recognized. Contact [membership@shpe.org](mailto:membership@shpe.org) if you have any questions about this process or run into any issues.

## Member Information Document

Please utilize the template found [here](#) to submit the members, advisor (if applicable), and board members that should be associated with your chapter. This document will be submitted in the New Chapter Application as a word file. Make sure to check the comments in the template for tips on submission.

## Executive Board

Select executive board members (President, Vice President, Treasurer, Secretary) for your chapter. A minimum of four members must participate as board members for the chapter. In the first year, you can elect via vote these board positions or self-elect these roles. In all subsequent years, you will follow your election protocol outlined in your bylaws. You are welcome to have more than four board members to fit the needs of your chapter. Additional information on the general expectations of these roles can be found in the chapter bylaw templates.

# Chapter Bylaws

Start with the appropriate bylaws template for your chapter type and add content specific to structure and needs of your chapter.

[Professional Chapter Bylaw Template](#)

Tip: Strict bylaws can make it hard to stay in accordance. Instead, write bylaws that operate as guidelines. For example, you might state that there'll be a minimum of 10 board members and a maximum of 30 rather than requiring exactly 15. Or you might suggest an annual board meeting rather than a regular meeting on the first Tuesday of every new year.

It is ok if things are a little different in your first year as you get established and you won't necessarily need to capture that in the bylaws. For example, your chapter may be established in the Fall so you'll need to do board elections in September so that you have a board in place for the year. You won't need to capture that in the bylaws.

# Chapter Advisor

Advisor must be a school employee. Chapter Advisors will act as the liaison between SHPE chapters, SHPE National, and your school. Advisor support can be through attending Chapter events, advocating for the Chapter on campus, and by checking in with Chapter Leaders on goals.

Primary responsibilities of Chapter Advisors include:

- Individual member support- letter of recommendation, mentor, etc
- Knowledge of key dates and events for SHPE National to ensure awareness and accountability for the Chapter
- Act as liaison between chapter and school- help members navigate the supports provided by your institution

Chapter advisors receive free membership. Please have them reach out to [membership@shpe.org](mailto:membership@shpe.org) to request the membership code for chapter advisors.

# Sponsor Chapter

Junior Chapters are encouraged to have sponsorship by either a professional or student chapter. While not required, sponsors enable Junior Chapters to receive local support and guidance and engagement opportunities.

# School Agreement Form

Before you complete the Chapter Application, you will first need to establish your SHPE chapter through your school's protocol to be a recognized as a student club/organization at your school. This process will vary by school. Chapter advisors may need to help chapter leaders navigate this process.

Utilize the school agreement template found [here](#) that demonstrates that your institution recognizes the chapter as an official student organization. The agreement must be on school letterhead and signed by a school employee and chapter advisor.

# Chapter Application

# Getting Started Checklist

- Create chapter email & shared drive
- Host an informational session
- Recruit a minimum of 10 members
- Identify executive board
- Identify chapter advisor if applicable
- Identify sponsor chapter if applicable
- Plan at least one meeting in first 3 months
- Connect with your Regional Leaders
- Complete new chapter application

See next page for tips on creating a shared email, hosting an informational session, and connecting with regional leaders!

# TIPS TO GET STARTED

## ● Chapter Email & Shared Drive

Use the software that makes the most sense for your chapter. Google is a good free option.

Recommendation: Create a general one for your chapter that includes your chapter name (SHPE\_VFW@gmail.com) and share the username and password with your chapter advisor and executive board so that you can all access the email and the files.

## ● Start Recruiting Members @ Info Session

Utilize SHPE's Marketing materials to get started! Flyer, Membership Kit with email and social media templates, and Brochure found [here](#) under the Membership tab. SHPE logos can also be found on that page under the SHPE Branding tab.

Recommendation: Invite a regional leader to join!

## ● Regional Leadership Team

Each region has a regional leadership team consisting of a Regional Vice President (RVP), Regional Student Representative (RSR), Regional Graduate Representative (RGR), and Regional Junior Representative (RJR). Connect with them for guidance and support as you start your chapter. Regional leaders can be found [here](#).
