

2023 SHPE

National Convention Highlights

Another Record-Breaking SHPE National Convention!

The largest gathering of Hispanics in STEM in the U.S. was back and bigger than ever in Salt Lake City, Utah with close to **12,000 attendees!**

We enjoyed seeing so many members turn up for this incredible opportunity to grow their network, meet with recruiters, gain new professional knowledge, compete for bragging rights, and so much more.

Thank you to the 2023 National Convention Planning Committee!

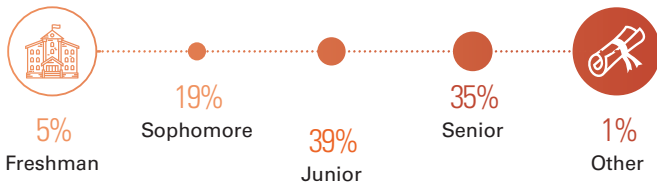

Their selfless contributions throughout the entire year are instrumental to making the convention a huge success.
