## MAKE YOUR VOICE HEARD

Cast your vote for the next group of SHPE leaders! Your vote is based on your location – your residence for professionals and your academic institution for students – and your member type as outlined here:

| MEMBER TYPES ELIGIBLE TO VOTE PER POSITION |                |                                      |                                |                              |                                |                  |
|--|----------------|--------------------------------------|--------------------------------|------------------------------|--------------------------------|------------------|
|  | POSITION       | Professional & Professional Lifetime | Associate & Associate Lifetime | Graduate & Graduate Lifetime | Undergrad & Undergrad Lifetime | Student Chapters |

|  | NBOD Undergrad |                                      |                                |                              |                                | ✓                |
|  | NBOD Grad      |                                      |                                | ✓                            |                                |                  |
| Regional Leadership Team Positions         | RVP            | ✓                                    |                                | ✓                            |                                | ✓                |
|  | RGR            |                                      |                                | ✓                            |                                |                  |
|  | RSR            |                                      |                                |                              |                                | ✓                |

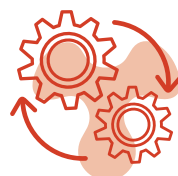

**Professional and graduate members** in good standing vote directly online.

**Undergraduate students** vote via their eligible student chapter (at least ten (10) members needed to participate). A chapter president casts their chapter's vote after consensus has been reached with their membership on the candidate(s) of choice.

**VOTING BEGINS ON APRIL 8 AT 12:01 A.M. PDT AND ENDS ON APRIL 30 AT 12:01A.M. PDT**

**RESULTS WILL BE ANNOUNCED ON MAY 16**
